ABOUT MICHAEL DENNIS RYAN and the ARGONAUT BREWING COMPANY, INC.:

Michael Dennis Ryan started "home brewing" while in college and has continued to brew since. A bacteriology class project and a love of craft beer led to a dream of becoming a brewer. After a period in the U.S.A.F. and 37 years of federal civil service, it was time to pursue his dream. Along with Brian Palmer, his son-in-law, and Dan Connolly, the Argonaut Brewing Company was born.

In the mid 1800's gold seekers having sailed around the "horn" to San Francisco, booked passage up river to the gold fields of the central valley. These folks were known as the "Argonauts". To honor these brave folks, who were willing to take a risk and work hard for a dream, Ryan and his partners have chosen the Argonaut Brewing Company name.
